Application for Milestone Masters

Student Name: _______________________ UID: _______________________

Prior to adding a Masters degree to a student’s PhD program, the following criteria must be completed:

☐ The student has been in the PhD program for a minimum of two full years

☐ The student has passed the Qualifying Examination

☐ The student’s supervisory committee has been established

☐ The student’s Program of Study has been approved and submitted

☐ All courses in the PhD Program of Study have been completed (30 hours) with an average of 3.3 GPA or better

☐ The student’s research proposal has been successfully defended

☐ The student has submitted at least one first-author manuscript, based on the student’s research and with the student’s advisor as co-author, to a peer-reviewed journal. Please attach a copy of the email from the journal confirming receipt of the submitted article.
