

Society of Petroleum Engineers

Salt Lake Petroleum Section

The Salt Lake Petroleum Section (SLPS) of the Society of Petroleum Engineers (SPE) is pleased to offer the Richard E. Wyman Scholarship in the amount of \$2000 to select students pursuing an engineering or geoscience degree that could lead to a career in the Oil and Gas Industry. The scholarship is for the 2014-2015 academic year and to receive the monetary award the recipient must enroll as a full time student for the 2014 Fall Semester. Residents from the SLPS service area, including parts of Utah, Idaho, Nevada, and Wyoming, are eligible to apply for this award.

A scholarship recipient will be selected through an application process in early May by a Scholarship Selection Committee. Additional details and requirements for consideration of this award are included with the scholarship application provided herewith. To be considered for this award please complete and return this application to the address shown on the application.

We look forward to receiving applications from potential awardees that are attending or planning to attend any accredited institution of higher education.

Thank for your consideration.

Sincerely,

Jeff Burghardt
Scholarship Committee Chair

About Us

SPE is the largest individual-member organization serving managers, engineers, scientists and other professionals worldwide in the upstream segment of the oil and gas industry. Officially founded in 1955, SPE's predecessor organizations date from the birth of the oil industry in the late 1880s.

Mission Statement

To collect, disseminate, and exchange technical knowledge concerning the exploration, development, and production of oil and gas resources, and related technologies for the public benefit; and to provide opportunities for professionals to enhance their technical and professional competence.
