(If additional space is needed, attach supplementary pages)

I. Requirements for Consideration

- A. Any scholarship awarded by the Salt Lake Petroleum Section of the Society of Petroleum Engineers is contingent upon the recipient being officially registered at an accredited university or college and **enrolled in a curriculum leading to a degree in engineering or geosciences disciplines.**
- B. **Scholarship applications should be postmarked no later than April 15, 2014** for consideration. Recipients of scholarships will be notified approximately 30 days after the application submittal deadline.
- C. If selected as a potential scholarship recipient, a personal letter of recommendation from a school instructor or administrator may be requested. You will also be requested to provide an official transcript from the school you are attending.
- D. All of the requested information on this scholarship form is required to be considered for the scholarship (i.e. International students should take the ACT or SAT exams). If the applicant desires to include additional information as part of the application, please do so by attaching supplemental pages.
- E. High school seniors may apply for the scholarship by referral from current members of the Society of Petroleum Engineers. All scholarship money will be awarded at the beginning of the next college year.
- F. A scholarship check of \$2000 will be issued in August 2014 for the upcoming collegiate year. A Social Security number (or tax ID number), proof of enrollment, and identification will be required before the check is delivered to the selected scholarship recipient.
- G. Submit this signed application form and any additional information to:
