I have read and understand the departmental policies and requirements for this program. I understand that I am working toward completion of both undergraduate and graduate programs simultaneously and that I must complete all the degree requirements to receive both degrees at the end of the program. I understand that if admitted to the BS/MS program, I will still need to apply to the University of Utah Graduate School and pay the associated fee with that application. I understand that I am considered an undergraduate student until such time as have been recommended for admission as a graduate student by the Department. If I withdraw from the program and complete the requirements for the bachelor's degree as described in the policies, I may receive a bachelor's degree. If I wish to pursue a regular master's degree or a doctoral degree after withdrawing from or completing this program, I must apply and be admitted to the Graduate School.
